Help Determine the Future of the VSP Group
The VSP Board is in the process of determining the future needs and direction of our organization. As such, we are asking for your input and feedback by completing the following survey. It should take no longer than five minutes. Click on the link below. Thank you for your continued support and input!

Medtronic Foundation - Project 6
The kick-off for Project 6 has begun! Now is your chance to get involved, have fun and help make a difference in YOUR community.
Project 6 launches each June and serves as the kickoff to year-round volunteering at Medtronic. Named in honor of Tenet 6 – to be a good corporate citizen – Project 6 aims to unite and engage Medtronic employees and retirees as one global community.

Give Time - Project 6 volunteer activities
Project 6 will be in-person and virtual this year. Community Impact Champions, along with other passionate employees, will lead projects and events across communities where Medtronic employees live and give.

Donate - Project 6 giving opportunities
New this year, Project 6 participation has expanded to include financial gifts. When you make a financial gift to a qualifying nonprofit from June 6 – July 31, you will be included in the reporting as a Project 6 participant. Make a donation and maximize your impact with Matched Giving.

Amplify - The Power of You, the Power of Us
At the Medtronic Foundation, our vision is a world where there are no barriers to achieving health, wellbeing and prosperity. Together, we can drive a global impact through local action. Share Project 6 impact stories and photos on Twitter, Facebook, and LinkedIn – using #P6Volunteer – so we can see how local action from Medtronic employees and retirees is making a global impact.

Thank you in advance for making a difference.

In Remembrance - Dave Scheffler

Wednesday, July 13, 2022
Game time 12:10 pm
$31 per Ticket

Join your fellow retirees to cheer on the Twins as they take on their regional rivals, the Milwaukee Brewers. This Twins team is full of brand-new players with lots of talent: explosive hitters and good pitching. Right now, the Twins are in first place and looking like they are contenders.

A limited number of tickets in Overlook Section #136 have been reserved for VSP members and their guests. The seats are located between first and second base in right field directly in front of the Target Plaza entrance – Gate #34.

Your registration and check must be received by Monday, June 20th. The tickets will be mailed to you the week of June 27th. Make checks payable to Medtronic VSP and mail with completed form to:

Denise Corbett, 1601 Rice Creek Road NE, Fridley, MN  55432.

Transportation to the game is your responsibility. For those who are not aware of recent changes, the North Star Line from Fridley is no longer providing service to the Twins games. Parking is available in ramps A, B & C which are located close to the stadium with easy access to the ballpark. However, Ramp B is closest to our seats in right field.

Deadline to Register – Monday, June 20th
